

3. Darse Nizami For Female Students

Given the importance and need for the education and training of girls, JBA has established an education system for female students, which has become popular globally and very famous.

There is a sizeable number of female international students at the JBA. The facilities include:

- Experienced and professional female instructors.
- Purdah Arrangement.
- All female staff.
- Well-equipped library designated for girls.
- Special focus on Arabic.
- Both religious and modern education together under one roof.

Aalima Course for Female Students

The six-year syllabus for female students consists of selected material from the darse nizami and newer material. The language of instruction is Arabic. The course makes JBA the only institute in the country that caters to international female students not only in terms of tuition but also boarding, medical and other facilities of the highest standards.
