31. Binoria Intermediate Collage

The purpose of the establishment of Binoria Intermediate College is to acquaint the students with modern educational techniques and good teaching methods so that quality skills of research and teaching, writing and compilation, communication, and dialogue can be highlighted in them.

In Binoria Intermediate College, education is imparted according to the inter-board, male and female students give regular board examinations. In whatever walk of life the students may enter, he may do honest justice to his profession. Along with their professional activities, they should also play their role in the welfare of society.

32. Adam Institute of Social and Management Sciences

The Adam Institute of Social and Management Sciences (AISMS) is a long-held aspiration of JBA. This will be a modern degree-awarding institute. There will be two Faculties at AISMS namely “The Faculty of Social Sciences and Islamic Learning” and “The Faculty of Management Sciences”. The program will be offered at the institute are “BS in Islamic Studies” and “Bachelor in Business Administration”. The feasibility analysis of the project is complete and endorsement from the Higher Education Commission is in the final stages. The complete details of the project can be found on the JBA website at www.binoria.org.

33. Association for Accreditation and Affiliation

JBA was registered in 2021 with Higher Education Commission (HEC) as an international examination board. Jamia Binoria is thus able to issue equivalence certificates that are not only recognized in Pakistan but also recognized globally.

International Student Exchange Program

There is special emphasis on the exchange of competent teachers, trainers, and syllabi. Binoria's specialized team has visited educational institutions in many countries and is in contact with many others. This has led to Binoria's degrees being recognized in a number of countries and much in the way of further progress is expected soon.

Agreements with International Islamic University Malaysia (IIUM) and Jamia al-Ulum al-Islamia Malaysia (USIM)

In 2019, Jamia Binoria entered into an agreement with International Islamic University, Malaysia. In the same year, Binoria also signed an agreement with Jamia al-Ulum al-Islamic, Malaysia. Both agreements are for promoting Islamic arts and learning internationally.

University of Karachi

JBA has been affiliated with the University of Karachi since 2011 and Binoria graduates are eligible for getting an equivalence degree of MA in Islamic Studies on the basis of their shahadat al-Alamiya degree. This enables Binoria graduates to seek employment in private and government organizations.

Federal Urdu University

In 2016, the Federal Urdu University, recognizing the standard of education at Jamia Binoria, allowed Binoria to be affiliated with it. This enables Binoria students to opt for further studies and graduation from the Federal Urdu University for which they will be awarded regular degrees.

Council of Islamic Ideology

An agreement for mutual cooperation was entered into with the Council of Islamic Ideology in 2019 to develop recommendations for the Islamization of laws on the national level.

Qatar Debates

JBA is the only organization on the national level which has competed in both school and university levels of Qatar Debates, a subsidiary organization of Qatar Foundation. In 2018, students of the Binoria secured second position in the competition.

Program for Religious and Cultural Harmony

JBA has developed a unique program with the cooperation of Erfurt University, Germany, in view of the recent perception internationally of increasing hostility between regions and cultures of different religions. The program is an attempt to address this 'clash of civilizations' and students, teachers, intellectuals, and activists of different religious backgrounds take part to explore different avenues of mutual cooperation and foster trust.

Iqbal International Institute for Research and Dialogue (IRD) of International Islamic University Islamabad (IIUI)

In February 2022, the Iqbal International Institute of Research and Dialogue of the International Islamic University Islamabad and Jamia Binoria Aalamia (JBA) signed a memorandum of understanding to collaborate on promoting educational activities, research, curricular and extracurricular projects, and student exchange programs. This partnership will facilitate faculty delegations, which is expected to yield positive results.

Islamic University of Kyrgyzstan

In June 2023, a group of Pakistani scholars visited Kyrgyzstan on an official trip. The visit resulted in an academic cooperation agreement between Jamia Binoria Aalamia (JBA) and the Islamic University of Bishkek in Kyrgyzstan. This agreement involves the interchange of faculty members, technical staff, and students between the two universities, along with conducting research programs, seminars, and educational programs. Additionally, both universities have decided to collaborate on other educational matters such as participation in sittings, Sharia consultation, and advancement of Islamic finance and banking.
